Big-band frontman Johnny Favorite was singing for the troops when a Luftwaffe fighter squadron strafed the bandstand, killing the crowd and leaving the singer near death. The army returned him to a private hospital in upstate New York, leaving him to live out his days as a vegetable while the world forgot him. But Louis Cyphre never forgets. Cyphre had a contract with the singer, stipulating payment upon Johnny's death—payment that will be denied as long as Johnny clings to life. When Cyphre hires private investigator Harry Angel to find Johnny at the hospital, Angel learns that the singer has disappeared. It is no ordinary missing-person's case. Everyone he questions dies soon after, as Angel's investigation ensnares him in a bizarre tangle of black magic, carnival freaks, and grisly voodoo. When the sinister Louis Cyphre begins appearing in Angel's dreams, the detective fears for his life, his sanity, and his soul. Falling Angel was the basis for the Alan Parker film Angel Heart, starring Mickey Rourke, Robert De Niro, and Lisa Bonet. This ebook features an illustrated biography of William Hjortsberg including rare photos from the author's personal collection. From the Trade Paperback edition. Introducing Saint Germaine, a man who has lived forever but has died 1,000 deaths. The immortal Germaine is featured in narratives that not only chronicle his life, but mankind's as well. In this opening storyline, Germaine has been contemplating the end to forever until he finds out that his long time companion, Lilith still survives, but that she wants to end his existence. Having tried to live a normal life, Lilith watched as her mortal family aged and died before her eyes. Tragedies of the world have unfolded before her to see and she isn't sure there is a way to escape the pain of it all, except to end her life...and Saint Germaine's. Part 1 of 4. See why Alicia Simmons of Fiction World says "Saint Germaine from Gary Reed has to be one of most powerful things I've ever read. Outstanding, simply outstanding. They don't get any better than this." Dare is a football god with a vengeful temper to match. He's been known to break more than a few things. Girls hearts. Car windshields. Opponent's faces. But tonight he's got his sights set on me. "I'm afraid I'm going to spend the rest of my life loving you for this. For everything." Elle's fairy-tale is simple: job, man, cottage by the sea. She just ticked the first thing off the list: a dreamy new job planning guest experiences for OrbitAll, the world's first space tourism company. Cottage by the sea? More like an apartment in California's Mojave Desert. And the only man in her life is Chen, OrbitAll's annoying new astronaut, who also happens to be her (loud) upstairs neighbor. Chen's always hated boundaries. He became an astronaut so not even gravity could hold him back. Unfortunately, his parents can. As the oldest son in a Chinese family, his fate has been decided since birth. When Chen gets an incredible offer from a space tourism company in America, he ditches his duties-for now. There he meets Elle, the eye-rolling beauty who lives and works ways too close. With her wild hair and fast car, she looks like freedom. Tastes like it, too. Together, Elle and Chen are hotter than the center of the sun. And they're hurtling towards their deadline as fast as they're falling. Kill Time, Till Time Kills You! Ruby Falls is a sleepy town. But sleep brings nightmares, and Lana is about to wake up in the middle of her hometown's biggest secret: the "disappearance" of infamously progressive Betty Gallagher during the mobster-ruled heyday of the old mining town. When details of the cold-case murder start to come out through her grandmother Clara's foggy, dementia-jumbled memories, Lana becomes obsessed with cracking the case, even if it splinters the peaceful town—and endangers everything she loves. From Ann Nocenti (The Seeds, Daredevil) and rising talent Flavia Biondi (Italian artist of La Generazione making her American comics debut) comes Ruby Falls: a neo-noir tale of love, memory, and murder mysteriously woven through three generations of women, and hinging on their individual, intertwined fights for freedom.
