Darling has its demons. Cherry LaRouche escaped the claws of Darling, Louisiana at sixteen. When she is forced to return after her mother's death, Cherry and her children move back into her childhood home where the walls whisper and something sinister skitters across the roof at night. While Cherry tries to settle back into a town where evil spreads like infection, the bodies of several murdered children turn up. When Cherry's own daughter goes missing, she's forced to confront the true monsters of Darling. What happens when emotions like love and friendship span vast distances -- in space, in time, and in the heart? Science fiction often focuses on future technology and science without considering the ways social structures will change as tech changes -- or not. What will relationships look like in a complicated future of clones, uploaded intelligences, artificial brains, or body augmentation? What stories emerge when we acknowledge possibilities of new genders and ways of thinking about them? The Reinvented Heart presents

stories that complicate sex and gender by showing how shifting technology may affect social attitudes and practices, stories that include relationships with communities and social groups, stories that reinvent traditional romance tropes and recast them for the 21st century, and above all, stories that experiment, astonish, and entertain. Musaicum Books presents to you this unique collection of sea adventure novels and true stories of the most notorious pirates. A group of aging librarians must decide whether to fight or flee from the end of print and the rise of electronic publication, while the parents of a young girl who died in front of the library struggle with their role in her loss. Anchored by the transposed stories of a photographer and his deaf mathematician lover, each mourning the other's death, The Sorrow Proper illustrated how humans of all relations--lovers, parents, colleagues--cope with and challenge social "progress," a mechanism that requires we ignore, and ultimately forget, the residual in order to make room for the new, to tell a story that resists "The End." Darkness, both literal and psychological, holds its

own unique fascination. Despite our fears, or perhaps because of them, readers have always been drawn to tales of death, terror, madness, and the supernatural, and no more so than today when a wildly imaginative new generation of dark dreamers is carrying on in the tradition of Poe and Lovecraft and King, crafting exquisitely disturbing literary nightmares that gaze without flinching into the abyss—and linger in the mind long after. Multiple award-winning editor Ellen Datlow knows the darkest corners of fiction and poetry better than most. Once again, she has braved the haunted landscape of modern horror to seek out the most chilling new works by both legendary masters of the genre and fresh young talents. Here are twisted hungers and obsessions, human and otherwise, along with an unsettling variety of spine-tingling fears and fantasies. The cutting edge of horror has never cut deeper than in this comprehensive showcase of the very best the field has to offer. Enter at your own risk. Enjoy the best sea adventures, treasure hunt tales and bloody battles, along with learning the truth behind the legends, the real life stories that inspired so many writers and produced so many beloved classics: *History of the Robberies and Murders of the Most Notorious Pirates* (Captain Charles Johnson) *The Book of Buried Treasure* *Treasure Island* (R. As blood stains the sugar white sands of Pensacola Beach, mysterious disappearances plague the area. But this doesn't stop a group of high school seniors from having one last blowout at an exclusive beach mansion before graduation. But Mandy, the party's host, has plans of her own. With a special friend, a massive bull shark she befriended as a child, Mandy plans to work through her teen angst the only way she knows how: with the help of massive jaws and an insatiable appetite for human flesh! "Slipway Grey is just as lovably cheesy and sleazy as you'd expect from its wonderful serial killer + giant shark premise. It's goofy, gory fun!" -Jeff Strand, author of WOLF HUNT "Sometimes you want to toss your responsibilities aside and immerse yourself in a guilty pleasure. Slipway Grey is a fun slasher with teens in bikinis, a serial killer, and a loyal-yet-bloodthirsty shark. It doesn't get more pleasurable guilty than that." -Mercedes M. Yardley, author of BEAUTIFUL SORROWS "When a group of unsupervised teenagers celebrate their graduation with a serial killer on the loose some unexpected mayhem is sure to arise. Authors Mark C. Scioneaux and Dane T. Hatchell have created a boatload of horrific fun with Slipway Grey. Don't let this be the one that gets away!" -Rena Mason, author of THE

She has been dealing with the demonic all her life, so when her brother gets tangled up with a demon named Sparkles, 'Luna the Lunatic' rolls in on her motorcycle to save the day. Armed with the ability to harm demons, her scathing sarcasm, and a hefty chip on her shoulder, Luna gathers the most unusual of allies, teaming up with a green-eyed heroin addict and a snarky demon 'of

some import.' After all, outcasts of a feather should stick together...even until the end. This is the volume one in The Bone Angel Trilogy by Mercedes M. Yardley, author of the award-winning novella, "Apocalyptic Montessa and Nuclear Lulu: A Tale of Atomic Love." Warning: cuts may be deeper than they appear. 19 short horror stories to give you shivers plus 60 recommendations for powerhouse tales written by women-those bloody stylings and chainsaw rhythms that have lain hidden like deadly gems among other great works. "Deep Cuts smartly sidesteps the bloody 'women in horror' debate and puts its money where its mouth is. This fantastic collection, featuring both genders, pays tribute to the best dark tales told by women. A deeply cerebral experience that is at times honest and intimate, but always chilling." -Mercedes M. Yardley, author of Beautiful Sorrows Cover art by Anja Millen. Dr. Megan Rusco has a secret, a secret no one can know. She is in love with a man she cannot have. Megan is in love with one of her patients. Living a solitary life in the Idaho countryside, Lenny

Harris had watched his wife, Vicky, die from the ravages of breast cancer a few years earlier. Immersing himself into his work was the only way he knew to cope with her loss, and for a long time, Lenny's work was his life.

Today Lenny has an appointment to see Megan.

Whenever he was in the examining room with her, Lenny always noticed a certain tension between them, but he always blew it off, knowing that it would be impossible to have any kind of relationship with his doctor. As he walked to his car that day, Lenny sensed what was going to happen, but little does he know that after this day, neither one of their lives will ever be the same.

Through the pain and guilt and the sorrow and regret that will envelope their lives over the next ten years. The most unlikely events will lead them on a path back to each other. A beautiful, compact, gift edition of some of the world's greatest poems about loss and death, to ease the heart of the bereaved Who has not suffered grief? In *Mourning Songs*, the brilliant poet and editor Grace Schulman has gathered together the most moving poems about sorrow by the likes of Elizabeth Bishop, William Carlos Williams, Gwendolyn Brooks, Neruda, Catullus, Dylan Thomas, W. H. Auden, Shakespeare, Emily Dickinson, W. S. Merwin, Lorca, Denise Levertov, Keats, Hart Crane, Michael Palmer, Robert Frost, Hopkins, Hardy, Bei Dao, and Czeslaw Milosz—to name only some of the masters in this slim volume. “ The

poems in this collection, ” as Schulman notes in her introduction, “ sing of grief as they praise life. ” She notes: “ As any bereaved survivor knows, there is no consolation. ‘ Time doesn ’ t heal grief; it emphasizes it, ’ wrote Marianne Moore. The loss of a loved one never leaves us. We don ’ t want it to. In grief, one remembers the beloved. But running beside it, parallel to it, is the joy of existence, the love that causes pain of loss, the loss that enlarges us with the wonder of existence. ” This is the third in a series entitled *El ’ Atone ’ s Journals*. *El ’ Atone ’* must run from the Vampyre Council as the fulfillment of a prophecy calls for her death. She, her husband and friends face death on multiple occasions in their attempt to live normal lives. They must outwit those hunting for them and those willing to protect them at a price. Their journeys lead them from country to country as they must move about to keep from being captured. Her foes include a man with the ability to travel in dreams, her father a former vampyre hit man, and her friends who betray her for money. Her allies, a member of the council and an eight-hundred year old psychic vampyre. Betrayed by his closest companions who are jealous of his success and his beautiful fiancée, Edmond Dantès is wrongfully imprisoned in *Château d ’ If* in France. The prison is home to the most dangerous political prisoners, but Edmond befriends a wealthy Italian priest, who tells Edmond of his buried treasure on

the island of Monte Cristo. After a daring escape, Edmond digs up the treasure, transforms into the rich Count of Monte Cristo, and seeks revenge on his deceitful friends. A tale full of adventure and intrigue, Alexandre Dumas's novel calls into question the merits of vengeance and forgiveness. called "brutal, deeply empathetic, and emotionally
wrenching," returns with a new collection of stories that
contains echoes of Denis Johnson and Raymond
Carver, along with the emotional depth and density of
Elena Ferrante. There's a pitch-perfect blend of linguistic
dexterity, emotional wisdom, and wry observation in The
Secret Habit of Sorrow. The characters in these stories
feel like people you know, their struggles real. Victoria
Patterson's prose has a Denis-Johnson

it be the ties between women and their own and each

Patterson has an amazing ability to convey relationships

and how our bonds can both save and destroy us. Her previous collection of stories, *Drift*, was a finalist for the California Book Award and the Story Prize, and was selected as one of the best books of 2009 by The San Francisco Chronicle. After surviving Thagoth and returning rich to Lucernis, Amra and Holgren have settled down to a very comfortable, if decidedly unexciting life -- until the night Amra receives an old enemy's head in a box. A longstanding debt calls her back home to Bellarius, the scene of many childhood horrors she would much rather forget about. But as bad as memories of the past might be, present-day Bellarius is rapidly becoming worse, for the Eightfold Goddess has not forgotten about Amra, and another of Her Blades, the Knife that Parts the Night, has been discovered and threatens to tear the very fabric of reality apart. All that stands in the way of utter destruction is one small, scarred thief and her mage companion...

A werewolf is hunting and eating people. Someone is kidnapping people and leaving behind fake gold coins. In the middle is Clarissa's best friend Samantha, who is not acting like herself at all. With St. Paddy's day coming up, Clarissa actually does think a leprechaun is

responsible. Can she save her best friend, or will the leprechaun have all the luck in the world? WHEN LEPRECHAUNS LEAP is a part of A Mayhem of Magic World Story universe. "If Magnus and his friend Ace, who is also on the run from her twisted parents, fall into Fairchild's hands, they will join the Unseleighe's zombie ranks. And Eric's bardic magic may not be enough to save them."--BOOK JACKET. Eric Banyon, also known as Bedlam's Bard, managed to rescue his young brother Magnus from what seemed to be a killer demon (in Mad Maudlin), but now he must rescue Magnus again, this time from their tyrannical parents. Eric does not look forward to the battle, but is confident he can gain custody. His financial sources are virtually unlimited, his friend Ria Llewellyn heads the most high-powered law firm in New York, and in a pinch he and his friends can use to magic powers, even flummoxing a DNA test, it comes to that. What Eric does not know is that his parents are allied with the evangelist Billy Fairchild, who himself is a tool of the evil Unseleighe elves, who feed off human sorrow and suffering. Fairchild specializes in getting "bad" children to shape up, which is accomplished by letting a soulsucker^¾malevolent creature from the elf world^¾drain the victim of all talent, creativity, and will, leaving an obedient zombie husk behind. If Magnus and his friend Ace, who is also on the run from her twisted parents, fall into Fairchild's hands,

they will join the Unseleighe's zombie ranks. And Eric's bardic magic may not be enough to save them. At the publisher's request, this title is sold without DRM (Digital Rights Management). Dark blue, cloth hardback with gold lettering Individually shrinkwrapped There is a place where sorrows pile up like snow and rest in your hair like cherry blossoms. Boys have wings, monsters fall in love, women fade into nothingness, and the bones of small children snap like twigs. Darkness will surely devour you--but it will be exquisitely lovely while doing so.

Chinese-speaking Asia. *Cries of Joy, Songs of Sorrow* explores Mandopop's surprisingly complex cultural implications in Taiwan and the PRC, where it has established new gender roles, created a vocabulary to express individualism, and introduced transnational culture to a country that had closed its doors to the world for twenty years. In his early chapters, Marc L. Moskowitz provides the historical background necessary to understand the contemporary Mandopop scene, beginning with the birth of Chinese popular music in the East Asian jazz Mecca of 1920s Shanghai. A brief overview of alternative musical genres in the PRC such as Beijing rock and revolutionary opera is included. The section concludes with a look at the manner in which Taiwan's musical ethos has influenced the mainland's music industry and how Mandopop has brought Western music and cultural values to the PRC. This leads to a discussion of Taiwan pop's exceptional hybridity, beginning with foreign influences during the colonial period under the Dutch and Japanese and continuing with the country's political, cultural, and economic alliance with the U.S. Moskowitz addresses the resulting wealth of transnational musical influences from the rest of East Asia and the U.S. and Taiwan pop's appeal to audiences in both the PRC and Taiwan. In doing so, he explores how Mandopop's "songs of sorrow," with their ubiquitous themes of loneliness and isolation, engage a

range of emotional expression that resonates strongly in the PRC. Later chapters examine the construction of male and female identities in Mandopop and look at the widespread condemnation of the genre by critics. Drawing on analyses and data from earlier chapters (including interviews with dozens of performers, song writers, and lay people in Taipei and Shanghai), Moskowitz attempts to answer the question: Why, if the music is as bad as some assert, is it so central to the lives of the largest population in the world? To answer, he highlights Mandopop ' s important contribution as a poetic lament that simultaneously embraces and protests modern life. *Cries of Joy, Songs of Sorrow* is a highly readable introduction to an important but understudied East Asian phenomenon. It will find a ready audience among scholars and students of Chinese and Taiwanese popular culture as well as musicologists studying transnational music flows and non-Western popular music.
