general electric a series user manual pdf a730
quick start a730 u m web it is much better to
have a camera with a removable memory card
this will give you the option of adding memory or
changing your memory card if your first memory
card gets full 1 point and shoot camera
instructions the point and shoot camera used to
be the most popular digital camera used to take
digital photos web never disconnect the camera
until you see ok on the back lcd for larger
firmware updates this can take up to 10 minutes
depending on your internet connection speed
disconnecting the usb cord during the update is
a main reason the firmware can fail which

results in the need to send in the lens or camera
for repair so patience is key web user manual
